Dear parents

## This Week

It's been a real treat to watch the children take part in their Christmas productions and concerts.

The week started with our Key Stage 1 children performing 'Christmas with the Aliens'. This was a really lively performance with lots of dancing, singing and beautiful reading voices.

Last night we enjoyed the Key Stage 2 Christmas concert which took us on a journey through the Christmas story. Once again, the children were amazing and performed extremely well.

We are so proud of all our children, from the youngest to the oldest. I'm sure you all are too. Thank you for coming and supporting them.

We now have our TT Rock star competitions back up and running. Well done to last week's top 3 most valuable players. They were: Sam (Y6), Leo (Y5) and Harry P (Y6). Year 6 retain the trophy for most points. Let's see if another class can win it back!

The second phase of our grant-funded building works has finished today. We now have brand new and fully functioning windows in all classrooms in

the main building as well as the hall. It means that the building now is completely double glazed. As well as creating a better environment for the children, we are hoping to see a reduction in energy costs.

After Christmas, blinds will be fitted in the hall and a new security system introduced for gates and doors. Watch this space for more improvements to come!

Enjoy your weekend.
