Friday 12th January

Dear parents

Firstly, I'd like to wish you all a Happy New Year and welcome you back at the start of this new term. It is a short but busy term, and we are looking forward to all the activities we have planned for the children.

This week

This week the children have been enjoying an Art themed week. During the afternoon sessions the children have been developing their skills in collage and mosaic work. It has been lovely to see the range of skills being developed across the school.

Year 3/4's quilling and mosaic work

Year 5/6's mosaic and
Gaudi inspired collage

Reception's Picasso style faces

Year 1/2 's Eric
Carle style
animal collage.

Termly learning

Today, you will receive via Class Dojo your child's termly learning journey. These are also available on the school website and can be found by clicking [HERE](#).

Christingle

Traditionally at this time of year we support the Church in their fundraising for The Children's Society and are doing the same this year.

Your children will come home today with a box to collect spare coins for the charity. If you would like to take part in the fundraising, you can return the coins to school before half-term or take them to the Christingle Service on Sunday 28th January. To find out more information about the charity, click [HERE](#).
