

Colwich CE Primary School

God is love, so we: Learn to Love; Love to Learn; Learn for Life

Friday 20th June

Dear parents

Highlights of the Week

Year 6 MAT cricket tournament

Design and Technology Week – Food technology, and paper circuits

Focus on Attendance

Last week's attendance rose

97.8%

Well done to Mrs Gully's class who had the highest attendance at 99.5%.

Sports Day – Friday 27th June

Don't forget to join us next week for our annual Sports Day.

It will start at **9:30am on the school field.**

All children will need to come to school with their PE kit on, long hair tied back and earrings out. They will need to bring a hat and water bottle. The forecast is for cooler weather than currently but children may still need to apply sunscreen before school.

We have changed the format this year and the children will be competing in their family groups. We hope you will help them to cheer their teams on.

Award Winners

Well done to the children who were awarded '**Star of the Week**' for their year groups: **Isabel J (Rec), Honey (Year 1), Louis (Year 2), Matthew (Year 3), Dylan (Year 4), Lilly (Year 5) and Violet (Year 6).**

Well done to our **Headteacher's Award** winner, **Molly B (Year 4)**, for Endurance.

Colwich CE Primary School

God is love, so we: Learn to Love; Love to Learn; Learn for Life

Well done to Jude N (Year 3), Olivia Sk (Year 1) and Bella (Year 4) for being this week's highest earners in TTRockstars. Year 3 picked up the trophy for the most points. Well done Year 3.

Well done to Everly B, Penny and Nellie (Year 1) for being the most successful players in NumBots this week.

Road Safety

This week it was upsetting to hear that we have had a near miss outside of school with a child and vehicle.

I ask you to please park considerably so traffic passing through has a clear view of families trying to cross the road. Please also keep sight/hold of your children, particularly younger children when approaching and exiting school premises.

We do not meet the criteria for a crossing patrol officer, so again I ask you to consider volunteering to support a walking bus, which is a measure I feel will help to reduce the traffic on the road outside of school. If you would like to find out more, please follow the link on the leaflet sent out on ClassDojo last week.
