

*In God's Name, We Learn to Love, Love to Learn, Learn for Life*

**Friday 19<sup>th</sup> June**

Dear Parents/Carers,

This week school has seemed much more alive as we have welcomed more children back in. Despite social distancing measures and restrictions on movement around the school, children have been coming in with huge smiles on their faces and are enjoying being with their peers and teachers again. There are still a few spaces left in EYFS, Year 1 and Year 6 so if you would like your child to return, please contact school, giving a week's notice.

Our keyworkers' provision has proved very popular and the group is to capacity on some days. To avoid disappointment, if you haven't already done so, please let [admin@colwich.staffs.sch.uk](mailto:admin@colwich.staffs.sch.uk) your requested sessions up until the end of term. You will be put on a waiting list if you request a day that is full.

Thank you to the parents for being patient with us and adhering to our new procedures when on the school premises – it has really helped to make the week run smoothly. Also, thank you to the staff who are once again demonstrating what a fantastic team they are.

For those of you still at home, thank you very much for continuing with the home learning packs and sharing with us what the children have been learning as well as all the extra activities they have been enjoying with you. We really miss the children and appreciate sharing in what they are doing.

Just a reminder that as well as the home-learning packs, you can also access video content from [The Oak National Academy](#) and [BBC Bitesize](#).

Please don't hesitate to contact the school if you have any queries about the above.

Best Wishes

*Alison De Ste Croix*
