Headteacher: Miss A De Ste Croix

Monday 20<sup>th</sup> March

Dear parents,

I hope you all had a restful Easter break and welcome to our very first remote summer term!

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe and will only be opening school fully when we know that it is safe to do so. We will carry on setting remote work, as laid out in last Friday's letter from our CEO, alongside providing care for the children of our key workers.

The Government released some useful guidance for parents over the weekend regarding supporting your child's learning at home. This can be found by clicking the following link: <https://www.gov.uk/guidance/supporting-your-childrens-education-during-coronavirus-covid-19>. In addition to this, they have also launched the [Oak National Academy](#) today in order to support schools in delivering remote learning. It will provide video lessons each week, across a broad range of subjects from maths to art to languages, for every year group from Reception through to Year 10.

It has definitely been a strange and challenging time, so it's ok if you and your child feel wobbly and worried at the moment. We are here for you as we figure this all out together. Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know by contacting your child's teacher either via e-mail or through Class Dojo.

Your children will have lots of activities they can enjoy over the summer term. Please keep a close eye on Class Dojo and the school website. We also love seeing the children's fantastic learning and home activities so please keep sending their work and photos in so we can share them.

We've all had to adapt to new ways of working so I wanted to take the opportunity to say what a great job you're doing supporting your child's wellbeing and learning during this time.

We can't say yet when we'll be able to open the school fully, but rest assured that we'll continue doing our utmost to keep your child learning and our school community connected.

Warm regards,

Alison De Ste Croix

Headteacher
