

Colwich CE Primary School

Current isolation and testing arrangements

If your child has no symptoms and is generally well .	Parents/carers advised to take regular lateral flow tests (recommended twice weekly)
If your child has symptoms of Covid-19 (cough, temperature, loss of taste/smell).	Stay at home and arrange for a PCR test and isolate until a negative test result is received.
If your child has no symptoms of Covid-19 but are feeling generally unwell .	Arrange for a PCR test and, where possible, stay at home until the result is returned. If returning to school whilst awaiting results, the child must have returned daily negative lateral flow tests.
If you have a positive case of Covid-19 within your household (sibling/parent).	It is recommended that you stay at home for the duration of the positive case's isolation period. Take a PCR test immediately and again before the child is due to return to school. Remote learning will be provided.
If your child is in contact with a positive case in school/wider community	Commence 7 days of daily lateral flow testing and arrange for a PCR test on or around day 2. Children are welcome to return to school whilst awaiting PCR results, but must have returned a daily negative lateral flow test.
