

COLWICH PTFA 100 CLUB

Dear Parents, Teacher and Friends,

We are delighted to bring back the 100 Club to our school starting this month – with a double draw in February!
Here's what it's all about

What is the 100 Club?

The 100 Club is a private lottery run by Colwich PTFA with two monthly prize draws, it operates in a similar way to The National Lottery - only with much better odds! This is a great way to raise money for our school, especially at a time when we are unable to run family events at school. Here are some of the finer details:

- 100 Club is open to all members of Colwich PTFA.
- PTFA members can be parents, teachers and friends of the school (all must be at least 16 years old). Please remember that all parents and carers automatically become PTFA members when their child/children join our school.
- The name '100 Club' is to signify the target 100 members. There is not limit on the number of members.
- Each member will be allocated a number or numbers that they keep for the school year.
- Members can have more than one number to increase their chances of winning – there is no maximum limit!
- Two winning numbers will be drawn each month during assembly.
- All monies raised go directly into our PTFA funds or to our monthly prize winners.

How long will it run?

The 100 Club this year will run from January 2021 for the remaining 7 months of the school year until July 2021. Thereafter it will run for the entire school year from September to July and at the beginning of each school year we will reach out to members regarding their membership and encourage new joiners.

How much does it cost to join?

It costs just £1 per month, so from January to July 2021 it will cost just a minimum of £7 for your membership. You have two options for paying your membership: 1. Pay a one-off payment upon joining, or 2. Pay on a monthly basis for 7 months. From September 2021 we will increase this to a minimum of £11 per school year, still equating to £1 per school month.

How do I join?

Joining is simple! All you need to do is **complete the enclosed application form below** and return it to school with your child or email it to the PTFA Team and **arrange payment of your membership fee by Friday 12 February 2021.**

When and how much could I win?

Our 100 Club winners will be drawn every 3rd Friday of the month. The PTFA will record the drawn on zoom and the school will post it on ClassDojo and the school website. The amount that you could win will be a percentage of the 100 Club's monthly income:

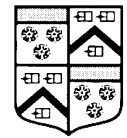

- Prize 1 - 25% of monthly prize fund
- Prize 2 - 25% of monthly prize fund

To allow everyone plenty of time to join the 100 Club over the next few weeks we will be running a double draw in February 2021. The first draw will take place on Friday 26th February (4th Friday) to account for the half-term holidays.

As an extra incentive to join, all new members who join ready for the double draw in February will put into a prize draw to win a lovely hamper!

Thank you for your support!

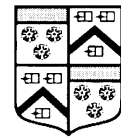

Kind regards,
Donna Bolas-Burn
Chairperson, Colwich Primary School PTFA

COLWICH PTFA 100 CLUB RULES

[Dated: 18 January 2021 1.0]

1. The object of the Colwich PTFA 100 Club (hereafter called the 100 Club) is to raise money for the Colwich CofE Primary School PTFA (hereafter called Colwich PTFA). All profits will be paid into the funds as directed by the PTFA Committee.
2. The 100 Club will be run under the supervision of the Colwich PTFA who will also administer the 100 Club.
3. Membership is open to any PTFA member over 16.
4. There is no limit to the total number of members of the 100 Club. The name is simply a target for the number of members.
5. Members must complete and return an application form (attached above) and arrange payment to join.
6. Members can join at any time throughout the school. Membership forms and payments must be received and organised by 1st of a month to be eligible to take part in that draw later that month.
7. Entry will be by membership of £1 per month per number, paid in advance as a one-off payment (bank transfer, cheque or cash) or every month by Standing Order Mandate to the PTFA. By joining members are committing to be part of the 100 Club for the entire school year, so the minimum period for the school year of 2020/2021 is 7 months (£7 per number in total).
8. Members may have more than one number. There is no maximum of numbers a member can have.
9. New members can join throughout the school year. 1st of each month is the cut-off to join in order to take part in the monthly draw later on in that month.
10. Each member will be issued with an individual number(s). A member may not select their own numbers.
11. A draw will be made every month with two equal prizes.
12. The regular monthly prize fund will be 50% of the monthly income. This will be apportioned as:
 - Prize 1 - 25% of monthly prize fund (£25 if we have 100 members)
 - Prize 2 - 25% of monthly prize fund (£25 if we have 100 members)
13. Two numbers will be drawn during the assembly on every 3rd Friday of the month, on a monthly basis.
14. Winners will be contacted personally. All members will be informed of the monthly result in the Colwich PTFA Newsletter and other mediums used by the Colwich PTFA. Any member may however obtain the results from Colwich PTFA on request at any time after the draw. The winning number will be selected at random.
15. Colwich PTFA will keep records of the contact details of each member, the number(s) allocated to them and the completed membership forms.
16. If a prize winner cannot be contacted, the winnings will be placed into Colwich PTFA funds after 6 months.
17. One's months' notice is required to cancel a membership. Members can do this by email to the PTFA.
18. At the beginning of each school year, Colwich PTFA will contact current members to confirm the renewal of their subscription and hopefully on-board new members.
19. Closure: The 100 Club will be closed as directed by Colwich PTFA.

COLWICH PTFA 100 CLUB MEMBERSHIP FORM
