

God is love, so we: Learn to Love; Love to Learn; Learn for Life

This half-term's value is: Trust

My God is my strength in whom I trust.

(Psalm 18.2)

Friday 13th May

Dear Parents

This week ...

I would like to say a huge well-done to Year 6. For those who don't know, they sat their Key Stage 2 SATs tests this week. They approached the week with positive attitudes and calm minds and all of them worked really hard and tried their best. We are really proud of them.

Today we celebrated the celebration of life of our school founder 'Charlotte Sparrow.' We gathered in church and each class contributed to building a picture of how Charlotte built our school and how her legacy still lives on in

all we do here. At the end of the service each class placed a beautiful flower arrangement on her grave made from all the flowers the children kindly brought in this morning.

Stars of the Week

Well done to the following children who were awarded 'Star of the Week' for their classes:

Bethany Fielder, Sol Anderson-Dixon, Ben Ellement and Chase Clemens Jacques.

Headteacher's Value's Awards went to: **Elsie Adams (Trust) and Quinn Fielder (Endurance).**

Colwich School Structure 2022/2023

Last night we held a meeting in school for parents of children in reception through to Year 5 to discuss the structure of the school next year. Next year we will be moving to a 5 class structure.

Thank you very much to those of you who were able to attend the meeting. I hope you found it informative and that it has given you a greater understanding of: why we need to move to 5 classes next year; our reason for next year's class allocations; as well as a greater understanding of how mixed aged classes work. For those unable to attend a copy of the presentation can be found on the school website at the bottom of the newsletters page. Click [HERE](#) to find it. Should you have any questions, please do not hesitate to get in touch.

Warmer weather

As the term moves on and the weather starts to improve, please can you make sure that children come to school with a bottle of water.

A sunhat and sunscreen are also advisable for really warm days.

Colwich CE Primary School

God is love, so we: Learn to Love; Love to Learn; Learn for Life
