

God is love, so we: Learn to Love; Love to Learn; Learn for Life

The Golden Rule

*So in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets.
(Matthew 7:12).*

Friday 3rd March 2023

Dear All,

This week...

I can't believe how quickly this week has flown past.

The children will have seen several workmen around completing projects that were started over half-term. We have had essential plumbing works completed in both buildings and have had our fire detection system up-graded in the main building.

The children have had a good start to the term with the highlight being World Book Day. It was fantastic to see so many children dressed up and talking so animatedly about the books their characters were from. There was such a range of books and characters, from traditional tales such as 'Alice in Wonderland' to characters from the 'Stranger Things' trilogy. Thank you so much for encouraging the children to celebrate books and providing costumes.

The children took part in lots of book related activities as well as online workshops with famous authors and celebrities.

Attendance Spotlight

In the week previous to half-term, attendance was 96.8%

Well done to Class 4/5 whose attendance was 98.6%.

The number of children whose attendance was below 90% has significantly dropped. Thank you to all of you for supporting us in improving this.

Strike Action

Following this week's industrial action, it is probable that Colwich will be affected again should the next period of planned industrial action go ahead on March 15th and 16th. A letter will be sent home next week.

Upcoming PTFA events
